MM/SP/TENDER: 242513004401**15.11.2024****[2]**

Initially the **Technical cum Commercial Bid** will be scrutinized and those who qualify in the **Technical cum Commercial Bid**, satisfying all the tender conditions, will only be considered for PRICE BID Stage. Please refer Qualifying conditions given at Annexure I (a)

TENDER FINALISATION METHOD:

The tenderers are advised to note that at the Reverse Auction / Price Bid, they have to quote the rate on FOR Kagithapuram basis taking the following into consideration.

Quantity and quality determination at TNPL site should be inline with terms and conditions of the tender.

The tenderers, on their own interest, should ensure that all the documents required are furnished. Tenders received without the relevant documents would summarily be rejected.

Note: At the price bid stage, TNPL would follow the following methodology to finalise the tender.

1. a. **Technical Bid is to be filled separately in given format & attached in the e-portal.**
b. **Price Bid (BOQ) is to be uploaded in the e-portal.**
2. TNPL will open the Price Bids of technically qualified bidders in the e-procurement portal.
3. The Lowest price obtained in the price bid/TNPL will fix opening price and TNPL would fix the minimum bid decrement for the **e-auction** (<https://tntenders.gov.in/nicgep/app>) and the date and time of **e-auction** will be communicated to the qualified parties through your registered Mobile number and E-mail ID in NIC portal.
4. **The lowest offer received either through e-auction or through e-portal price bid (BOQ) whichever is lower, will only be considered for placement of order.**

TNPL reserves the right to reject any or all tenders at it's own discretion without assigning any reason whatsoever and TNPL is not responsible for any delay in submission of bid on due date and in time.

Thanking you,

Yours faithfully,
for TAMIL NADU NEWSPRINT AND PAPERS LIMITED,

DGM (Purchase)

5. Submission of E-tender:

5.1 After downloading / getting the tender schedules, the Bidder should go through them carefully and then submit the documents as per the tender document, otherwise, the bid will be rejected.

5.2 The bidder shall read the terms and conditions and accepts the same to proceed further to submit the electronic-bids.

5.3 The bidders shall submit their electronic-bids online by entering the required details and uploading the required documents.

5.4 The BOQ template (Price Bid Template) must not be modified/replaced by the bidder and the same should be uploaded after filling the relevant columns, else the bid is liable to be rejected. Bidders are allowed to enter the Bidder Name and Values only.

5.5 The bidder, in advance, should prepare the bid documents to be submitted as indicated in the tender schedule and they should be in PDF/XLS/RAR/DWF formats. If there is more than one document, they can be clubbed together.

5.6 The bidder has to submit the tender document(s) online well in advance before the prescribed time to avoid any delay or problem during the bid submission process.

5.7 Only the files which are “attached” with the e-tender shall be considered during evaluation of the Bids. Files which are not attached to the e-tender shall not be considered for evaluation.

5.8 Since the uploaded documents have to be downloaded for evaluation of bid, bidders are advised to upload clear scanned copies.

5.9 There is no limit on the size of the file to be uploaded at the server end. However, the upload file size is decided by the Memory available at the Client System as well as the Network bandwidth available at the client side at that point of time. In order to reduce the file size, bidders are suggested to scan the documents in 75-100 DPI so that the clarity is maintained and the size of file also gets reduced. This will help in quick uploading even at very low bandwidth speeds.

5.10 The bidder should see that the bid documents submitted should be free from virus and if the documents could not be opened, due to virus, during tender opening, the bid is liable to be rejected.

5.11 It is important to note that, the bidder has to Click on the “Freeze Bid” Button, to ensure that the Bid Submission Process is completed. Bids which are not Frozen are considered as Incomplete/Invalid bids and are not considered for evaluation purposes.

5.12 At the time of freezing the bid, the e-Procurement system will give a successful bid updation message after uploading all the bid documents submitted and then a bid summary will be shown with the bid no, date & time of submission of the bid with all other relevant details. The documents submitted by the bidders will be digitally signed using the e-token of the bidder and then submitted.

MM/SP/TENDER: 242513004401

15.11.2024

5.13 After the bid submission, the bid summary has to be printed and kept as an acknowledgement as a token of the submission of the bid. The bid summary will act as a proof of bid submission for a tender floated and will also act as an entry point to participate in the bid opening event.

5.14 Upon successful submission of e-tender, the Bidder shall receive a bid acknowledgement mail from the system automatically in the registered email id/mobile No.

5.15 Successful bid submission from the system means, the bids as uploaded by the bidder is received and stored in the system. System does not certify for its correctness.

5.16 All the data being entered by the bidders would be encrypted at the client end, and the software uses PKI encryption techniques to ensure the secrecy of the data. The data entered will not be viewable by unauthorized persons during bid submission and not viewable by any one until the time of bid opening. Overall, the submitted bid documents become readable only after the tender opening by the authorized members.

5.17 During transmission of bid document, the confidentiality of the bids is maintained since the data is transferred over secured Socket Layer(SSL) with 256 bit encryption technology. Data encryption of sensitive fields is also done.

5.18 After making Final Submission of e-tender and before the scheduled closing time for Bid submission, if a bidder wishes to make changes in his Bid, it can be done so by clicking the “Resubmit” option.

5.19 After final submission of Bid and before the scheduled closing time for Bid submission, if a bidder wishes to withdraw his bid, it can be done so by clicking the “Withdraw Bid” option. **By withdrawing a bid, a Bidder will lose the opportunity to re-submit his Bid against the same e-tender.**

6 Auction :

6.1 The date & time period of auction will be intimated through the e-procurement portal/ email after evaluation of the E-tenders.

6.2 The lowest (L1) price quoted in the e-tender//TNPL will fix opening price as the base price for the Auction. The bidding will be forwarded and the bidders shall quote lower rates.

6.3 The bidders shall submit their bids in the reverse bidding.

6.4 The bidders who have not participated in the e-tender cannot participate in the Auction also.

7. General:

7.1 If there are any clarifications, the same may be obtained online through the e-Procurement Portal or through the contact details given in the tender document. Bidder should take into account of the corrigendum published, if any, before submitting the bids online.

7.2 **TNPL** will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders due to local issues.

7.3 **The time that is displayed from the server clock at the top of the tender Portal, will be valid for all actions of requesting bid submission, bid opening, Auction etc., in the e-Procurement portal. The Time followed in this portal is as per Indian Standard Time (IST) which is GMT+5:30. The bidders should adhere to this time during bid submission.**

7.4 E-tender / Auction cannot be accessed after the due date and time for bid submission.

7.5 The bidder shall submit the bid documents and bid in Auction online mode only, through [https://tntenders.gov.in /nicgep/app](https://tntenders.gov.in/nicgep/app) portal. Offline documents will not be handled through this system (Only EMD shall be submitted in offline and the same shall be scanned and uploaded in on line).

7.6 All notices and correspondence to the bidder(s) shall be sent by email only during the process till finalization of tender with forward bidding. Hence the bidders are required to ensure that their email address provided at the time of registration is valid and updated. Bidders are also requested to ensure validity of their DSC.

7.7 Bidders are advised to see the web site regularly to remain updated with latest information to ensure that they do not miss out any corrigendum / addendum uploaded against the said E-tender cum Auction. **The responsibility of downloading the related corrigendum, if any, will be that of the bidders.**

7.8 For further assistance please go through the link "Bidders Manual Kit" in the portal.

7.9 During bid submission process in E-tender cum Auction, the bidder should allow to run a application JAVA ENCRYPTION APPLET (process along with screenshot available at "Bidders Manual Kit") by accepting the risk and clicking on run.. If this application is not run then the bidder will not be able to save/submit his bid.

7.10 In all cases, bidders should use their own ID and Password along with Digital Signature at the time of submission of their bid.

7.11 During the entire E-tender cum Auction process, the bidders will remain completely anonymous to one another and also to everybody else.

7.12 The e-tender /Bidding floor shall remain open from the pre-announced date & time and for as much duration as mentioned.

7.13 All electronic bids submitted during the E-tender cum Auction process shall be legally binding on the bidder. Any bid will be considered as the valid bid offered by that bidder and acceptance of the same by the TNPL will form a binding contract between TNPL and the Bidder.

7.14 It is mandatory that all the bids are submitted with digital signature certificate otherwise the same will not be accepted by the system.

7.15 TNPL reserves the right to cancel or reject or accept or withdraw or extend the tender cum auction in full or in part as the case may be without assigning any reason thereof.

7.16 The server time shall be treated as final and binding. Bids recorded in the server before the bid closing time will only be treated as valid bid. Bidders are, therefore, advised to submit their bids well before the closing time of e-tender/auction. If any bid reaches the server after the bid closing time as per server time, the same will not be recorded and no complaint in this regard shall be entertained.

7.17 Bidders are advised to exercise caution in quoting their bids in e-tender/auction to avoid any mistake. **Bids once submitted can't be recalled after bid closing time.**

7.18 Any order resulting from this bidding process shall be governed by the terms and conditions mentioned in the NIT.
